

Bert De Foer kindly invites you to the public defence of his PhD

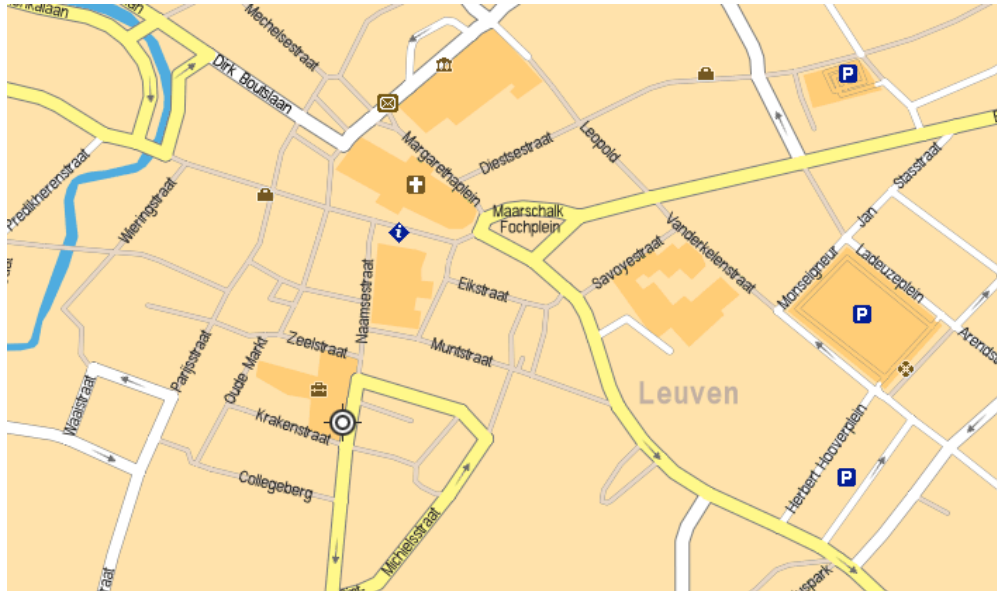

**“ Value of Magnetic Resonance Imaging in the preoperative evaluation
and the postoperative follow-up of middle ear cholesteatoma”**

submitted and presented in fulfillment of the requirements for the degree of
“Doctor in de Biomedische Wetenschappen”

The public defence will take place on Monday November 14th, 2011
at 16.30 h in the “Promotiezaal” of the “Universiteitshallen”,
Naamsestraat 22, Leuven, Belgium

You are also kindly invited to the reception which will take place afterwards.

Please confirm your presence to the public defence as well as to the reception
to b.defoer@telenet.be or call 0032 3 443 34 59 before November 1st

Route Description

The “Universiteitshallen” are located within walking distance from Leuven central station (15 min). Be aware that the centrally located Foch square is under construction and that bus connections may be altered.

If you come by car, take the E40 highway from Brussels to Luik/Liège and take the exit Leuven. Arriving at the ringway of Leuven, turn right and follow the ringway to the Tiensepoort where you can enter the city centre of Leuven via the Blijde Inkomststraat. This street will guide you to the Ladeuze parking under the Ladeuzesquare, which is within walking distance from the “Universiteitshallen” in the Naamsestraat
